Objective

Motivated Frontend Web Developer with hands-on experience in HTML, CSS, and JavaScript. Skilled in building responsive and user-friendly interfaces, with working knowledge of PHP and templating systems. Passionate about clean code, performance optimization, and delivering user-focused solutions. My objective is to contribute to dynamic and forward-thinking environments where innovation, efficiency, and user-centric solutions are prioritized. With a strong commitment to continuous learning and growth, I aim to make a positive impact in the tech industry.
